

The Friends of Birkenhead Park have been privileged to have 5 students from the Activate College at the Edward Kemp Community Garden. Recently, the students graduated and members of the Friends were able to attend the ceremony. Speaking after the event Sheila Blair, project leader at Edward Kemp Community Gardens and Growing Area said " We spoke to the student's parents and grandparents and we're heartened to hear of their progress. Particularly proud of Lee McGill who got a special award for the most development and Mike for outstanding achievement of his goals."

Activate students on their last day at Edward Kemp Community Garden and Growing Area
