### RANGERS HELP STRANGERS

Rangers help strangers in the Park  
The day and the night  
up with the Lark.  
Getting everything ready to guide the tour,  
Maps and Packs, First Aid bits  
in case of falls or trips  
I love my Job because of the nature  
the people, the smell of the park  
in Spring in Summer the Winter dark,  
Rangers help strangers in the Park.
